## THE ENTIRE PRODUCT RANGE

Working at an office, you utilize countless of hours at your work station. Why not make it extra comfortable, with a 100 percent personal setup?

THE APTO ADAPT COLLECTION consist of a screen, with a acoustic wall (class b), cable tray and different modules, that you can mix and match according to you personal needs. The idea behind the collection is to create a beautiful, functional and streamlined design that is unique to the individual person. Therefore, every detail has been addressed, from round edges around the Screen, to cable outlet and a smooth way to move around the modules.

The collection can be combined with our other APTO collections, for an extra personal, functional and aesthetic work environment.
